

New Orderable Code L-Asparaginase

Effective Wednesday, June 18, 2025, L-Asparaginase (Test Order Code LAB12936) will be available as an orderable test with testing being performed at Next Molecular Analytics Laboratory. Providers will no longer have to utilize a Miscellaneous test code for ordering. Test information is below.

Test Information	L-Asparaginase
Specimen Requirement	2.0 mL (min 0.3 mL) plasma
Collection Tube	Lavender
Temperature	Refrigerated
Stability	14 days
Methodology	Coupled Enzymatic Assay
TAT	Final within 3 days
Performing Lab	Next Molecular

Updated Referral Testing Orderable Codes

Effective Wednesday, June 18, 2025, the following sendout assays will be updated.

Disaccharidase Activity Panel, Tissue		
	Current (Deactivated 6.18.2025)	Replacement (Activated 6.18.2025)
Test Name	Small Bowel Biopsy for Disaccharidases	Disaccharidase Activity Panel, Tissue
Test Order Code	LAB9820	LAB12970
Performing Lab	Medical College of Wisconsin	Mayo
Specimen Type	Small bowel biopsy	Intestinal Biopsy Tissue
Collection Tube	Sterile tube	Sterile tube
Temperature	Frozen	Frozen
Stability	Frozen: Indefinitely	28 days
Methodology	Spectrophotometry	Spectrophotometry
TAT	Final within 5 days	Final within 6 days

For additional information regarding these tests, as well as specimen collection requirements, please contact ACL Client Services at 1.800.877.7016 or visit our website at <https://www.acllaboratories.com/providers/test-directory/>.

Allergen Meadow Fescue, IgE		
	Current (Deactivated 6.18.2025)	Replacement (Activated 6.18.2025)
Test Name	Allergen: Meadow Fescue, IgE	Allergen: Meadow Fescue, IgE
Test Order Code	LAB9227	LAB12968
Performing Lab	Cleveland Clinic	ACL
Specimen Type	Serum	1.0 mL (min 0.5 mL) serum
Collection Tube	Gold Gel	Gold Gel
Temperature	Refrigerated	Refrigerated
Stability	30 days	1 week
Methodology	Quantitative ImmunoCAP Fluorescent Enzyme Immunoassay	Quantitative ImmunoCAP Fluorescent Enzyme Immunoassay
TAT	Final within 4 days	Final within 3 days

For additional information regarding these tests, as well as specimen collection requirements, please contact ACL Client Services at 1.800.877.7016 or visit our website at <https://www.acllaboratories.com/providers/test-directory/>.
